What Does A Soundcloud Growth Bot Do?

A Soundcloud growth bot is a helpful tool that can automatically increase your plays and followers. It works by interacting with Soundcloud in a way that mimics real user activity.

Here's how it generally works:

- **Plays:** The bot can listen to your tracks, adding to your play count.

- **Followers:** It can follow other users, and they may follow you back.
- **Engagement:** Some bots can also like and repost your music.

These actions help improve your visibility on the platform. More plays and followers can lead to more organic growth.
